Who Discovered RICORO?

"My wife's mother discovered Ricoro. 'Why don't you smoke those Ricoro cigars I see advertised?' she asked me one day.
"I thought she was touching on ground that didn't concern her and continued to smoke my favorite 15-cent brand.
"Her persistency shaped itself in the form of a box of Ricoros for my birthday. I thought I'd smoke them just to please her, but I want to say that I was the pleased party. That was some smoke!
"When I learned that the cigar she gave me was only 7c each, I figured that I threw away at least 8c a day from the time she first suggested Ricoro."

Sooner or later you'll discover—

Ricoro
